

INTERNATIONAL STUDENT NEWS

Notre Dame College, Leeds.

October/November 2004

I am sure that you have all settled down well and are busy studying. Time passes very quickly when you are working hard but please remember your family at home, they will be missing you and wondering how you are ! Keep in touch by telephone, email them from college or better still, send them a letter or postcard. Let them know that you are thinking of them too!

UCAS

UPPER 6th STUDENTS

Can I remind all U6 Students that they should have submitted their UCAS university application form by now!

All our Oxford and Cambridge students have now completed their applications with the help of our Oxbridge Group led by Mr Oakley.

However, there are still many of you who are also applying for UCL, LSE etc. This is a very important time for you and we want you to make the best application you can. If you are having a problem completing your application or are confused then get help!

CAREERS OFFICE Make an appointment for help to select the best degree subject for your future career

TUTOR Get help with the application form

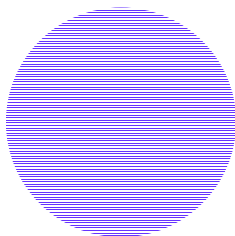

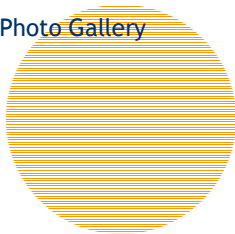

IS OFFICE Get individual help writing your personal statement.

IELTS Consider improving your IELTS score. Many top universities require a high IELTS score.

Family Visits

If your parents wish to visit you in the U.K., then please let me know and I will be happy to help you!

They will have to apply for a visa and will need an official letter inviting them to visit college and confirming that you are a student in a UK college.

When they arrive, I will be happy to help reserve a hotel or suggest and arrange some tourist activities or sightseeing whilst they are here e.g. Last year some visiting parents went on the same tour of Scotland as shown on this page.

I will also be more than happy to give them a tour of the college, arrange for them to meet your teachers and answer any questions they may have.

I think it is very important for your parents to get to know where you study and to meet staff.
